

Changing your hands off completion date (for DB AVC payers)

Please use this form if you want to change your *hands off* completion date. Your *hands off* completion date is the date when the *hands off* approach is due to complete and governs when your additional contributions in the DB section of the ITV Pension Scheme start to invest in less risky funds. It's usually the date you want to start drawing your additional contributions, but is for investment purposes only; you don't have to start drawing your savings from this date and can change it at any time.

If you'd like to change how your additional contributions are invested as well as your *hands off* completion date, you should complete the *Adding a bit extra* form instead.

Please complete in BLOCK capitals and return to:

ITV Pensions, 5 Fulwood Park, Caxton Road, Preston, Fulwood PR2 9NZ or email a scanned copy to enquiries@itv-pensions.com

3 Your agreement

- I authorise ITV to carry out my instructions as set out in this form. I understand that my instructions will take effect as soon as possible after ITV Pensions has received my completed form.
- I understand that the Trustees hold personal data which I've provided to them. They need this to be able to administer my benefit under the Scheme and pay my pension. The Trustees, who are the data controller for data protection purposes, are required to look after my personal data in line with legal requirements. This means the Trustees are responsible for deciding what personal information needs to be processed and the way in which that information is processed. In processing my personal data, the Trustees may need to pass personal information about me, my dependants and other members and beneficiaries, to the Scheme's administrators, auditors, legal advisers, insurers, the ITV group of companies and such third parties as may be necessary for the purposes of administering the Scheme.

Where to find out more: Full details of the personal data the Trustees hold, how they use that information and who they share it with are set out in the Trustees' privacy notice, which is on the ITV Pensions website at www.itv-pensions.com > *Library*. The privacy notice also sets out your rights about the personal data held about you by the Trustees and who to contact if you want to exercise those rights, make a complaint or generally have any questions.

The privacy notice is updated from time to time in accordance with future developments in data protection legislation and Scheme practice and you can see the current version in the Library section of the ITV Pensions website. Alternatively, if you'd prefer to receive a hard copy of the privacy notice, please contact ITV Pensions on 01772 884 488 or email enquiries@itv-pensions.com.

You are responsible for keeping the Trustees up-to-date with your personal information, including your marital status, contact and, where necessary, bank details. Without this information, there may be delays in paying benefits to you or your dependants.
